

METRO AND COUNTRY CIVIL

Company Profile

About Us

Founded in 2007 by former Beltrame Civil Director Gianivo Beltrame and his son Tom Beltrame, Metro and Country Civil is a family-owned and operated civil construction company based in South Australia. For over 15 years, we have been delivering high-quality civil infrastructure projects across metropolitan and regional South Australia, specialising in public sector works for local councils.

Our commitment to quality, reliability, and sustainable practices has established us as a trusted partner in the civil construction industry. We pride ourselves on our hands-on approach, with owner and Director Tom Beltrame present onsite for every project, ensuring attention to detail and the highest standards of workmanship. Our long-standing relationships with clients and subcontractors are built on trust, transparency, and a proven track record of delivering on time and within budget.

Why Choose Us?

- » **Experienced and Onsite Leadership:** Director Tom Beltrame oversees every project, ensuring quality and resolving issues swiftly.
- » **Skilled and Committed Team:** Our team of ten skilled professionals, many of whom have been with us for over a decade, bring extensive experience in civil construction.
- » **Proven Track Record:** Hundreds of successful projects completed for local councils across South Australia.
- » **Well-Built and High-Quality Outcomes:** Our projects are built to last, with high-quality finishes that enhance durability and visual appeal.
- » **Sustainability Focus:** We adopt sustainable practices, including material recycling and low-emission equipment usage, minimising environmental impact.
- » **Community Respect:** We work with respect and consideration for local communities where we work, keeping noise and disruption to a minimum, and helping local residents move safely around worksites.

Our Services

We offer a comprehensive range of civil construction services, including:

- » Road Rehabilitation
- » Footpath and Kerbing Construction
- » Stormwater Infrastructure and Drainage
- » Car Parks and Hardstand Areas
- » Coastal Rehabilitation
- » Floodways and Bridges
- » Concrete Works

Our expertise spans from large-scale urban projects to specialised works in coastal and regional environments, ensuring safety, efficiency, and minimal community disruption.

Our Senior Team

Tom Beltrame - Director

Over 20 years of experience in civil infrastructure, with a strong background in concreting, stormwater, and road construction. Tom is hands-on with every project, ensuring it runs smoothly and meets client expectations.

Markus Dunatov - Estimator and Project Manager

Markus is a civil engineer and project manager experienced in South Australian infrastructure, known for his hands-on leadership delivering high-quality road, stormwater, and drainage projects efficiently and safely.

Our Equipment

Our fleet of modern, well-maintained equipment allows us to meet project demands efficiently. We prioritise low-emission machinery and maintain all vehicles and plant to the highest industry standards.

Accreditations & Certifications

We are fully accredited to work on State and Local Government projects, and are prequalified with DIT and SA Water.

Safety, Quality & Environment

Metro and Country Civil operates under the Civil Contractors Federation Integrated Management System, ensuring compliance with safety, quality, and environmental standards. Our team is fully trained in safety protocols, quality assurance, and environmental management to guarantee project success with minimal impact.

“ Metro and Country Civil is committed to delivering projects that enhance community infrastructure while prioritising safety, sustainability, and high-quality workmanship. ”
